

WELCOME TO THE THEATRE CLUB!!!

What an amazing turn out we had today!!! I loved seeing so many new faces and I am so excited to get to know you all! Now this email is lengthy but, please make sure to look through all of the points. I don't want you to miss any important information. **Once you have read through this email please respond letting me know you have received it.**

I know some of you are still deciding if you want to be a part of the club, so feel free to take some time to think about it. The club is going to be more about creating opportunities for students to explore theatre, host various workshops regarding theatre arts, provide more performance opportunities, scheduling trips to see other productions, and most importantly community. You do not need to commit to being at every event and/or meeting to be a part of the club. I view any students interested in theatre as a club member and part of our community. Come join us when you can for whatever is of interest for you!

1- Website

We have a new SCA theatre website and there is a portion of it devoted to the club. This will be your hub for communication and where you can find all the most recent details. I will send emails as well, but I know it can be hard to keep up-to-date with the most recent updates. I will be updating the website frequently and it can be your place to find all updates and information. Theatre Website: www.scatheatre.com

2- Email List

If you have received this email you are on the club email list, but if you would like me to add any additional email addresses for you or your family, just respond to this email with the information and I can add additional addresses.

3- Update on Club Meeting Times

I went through all of your votes and the consensus is to have club meetings on **Wednesdays, from 3:15-4:15p.** This will be our new official meeting time starting next week August 26th! Please note, 9/29 and 10/20 we will begin our meetings at 4:15p. While the typical meeting starts at 3:15pm, if help session is needed or desired this should take priority and students can join the meeting when done.

While this is a lot of information, there is so much more in store and I cannot wait to get started with you all. On top of all the exciting things above we will be looking to provide other opportunities talked about today along with some other surprises. To recap we talked about Workshops in acting technique, stage make-up, technical theatre, writing, and directing, student lead cabarets and open-mic-nights, festival competitions, choosing the spring musical, and so much more!!! We will start to discuss more at the next meeting.

Parents- Thank you for encouraging your students to be a player in this wonderful community! There will be more info to come, but please let me know if you have any questions.

See you soon!
